

From the writers of the Drug Divide, a BET Series
that runs Parallel (Covert OP's D.O.D.)

* My name is Paul Castellano, I go by the name
Frank Paul Jones (Digital input with Wave
Synthesis take place on screen) = *****

* I have a few made men, who are called
A KEY, as it seems they instruct me, they
really work for me and can only do what I
pre-planned for them to do, my life is
pre-ordained. *****

* I walk by Faith and not by Sight, though
THE KEY can see me, I rarely ever can
see them. *****
THE KEY

* I never really sleep (1/2) half of my brain
is always at work 24/7 *****

* I AM immortal but think I AM mortal, I
always know what to do, but never know
why. *****

* I AM lonely, not afraid to die and never
knowing why I seem to never die *****

* I wonder who AM I and people always
ask why I never cry? *****
What is my purpose in life? *****
