

Summer Projects

#1) Beyonce' needs to hold off on Lemonade and let go of Jay-Z. He is old news. Release her in November as the introduction to NMA Pro media. Produced By Alicia and Beyonce' Ghost Writers MJJ, King Prince and Daddy P. 30 songs on one CD and all hits.

#2) Castings: P.S. 1776, Message of Hope and The World of Union's

#3) Write Screenplays For THE DRUGS DIVIDE and Covert Op's D.O.D. Introduce the main character. J.C. & P.C. (THE MOVIES)

#4) We are going to apply V.V.T into effect this Summer due to Security Issues

(A) Create photographic Backgrounds, using many Ritz Carlton and Marriott International Suites as well as Scenery from URBAN AREAS and Military Facilities. 50¢

(B) Covert Op's can go to Ken Smith, Directed By Denzel Washington. And I named the stars of THE DRUGS DIVIDE and J.C. does not need to be seen. Just apply the plot it is based on ~~the~~ to write a script. Create new names and Faces, if necessary, you know the directors crew.

(C) Put out ^{these} two movies ASAP, using V.V.T. Imagery and the voices of yourselves and whenever you hire to be the voices.

(D) THEREFORE onsight Filming is not required and it will look real, like onsight Filming and even the TMZ, ET, NENDY Williams updates will be filmed in V.V.T. But who will know until we disclose what V.V.T is to the world.
