

York & The Anscaruh Alich Community

He left the Nation of Islam in 1967 and by 1969 became a false prophet over AScRuh. THEY saw in number, his prophecy spoke of the 12 Tribes of Israel and he the Messich. At the end of the road, he returned home to Georgia having Caravels, the people waited for him, destroyed his Church, took back all his property, some of his men scattered and he sat 15 years in the Federal Prison System. His prophecy failed. THE Community was a mined field designed to explode upon his arrival.

THE Prophecy of Jesus Christ

Sanderville, GA - THE Garden of Eden - THE Fertiliser of the World, was saved and made safe by Jesus.

Avon Park, FL - THE Birthplace of Eve - ~~THE~~ His mother and the Promised Land. THIS is where they Setup a mined field to destroy him. Though this is the promised land they are not the promised people.

Why so much hatred towards God? Good question.

- * Fraud - THEY stole all my property and sought out to also destroy my good name, to make it seem as they are the true land lords
- * By using Hate crimes. To deny a man his rights and violate him based on preconceived notions and prejudices
- * And This is called RICO - Racketeer Influence Corrupt Organization. AN ACT OF many.
