

THE Great Currency OFFENSIVE

- * The best way to curb the drug war, which is the greatest terror threat our nation now faces, is to greatly reduce the need for cash money, until the Blue Law transition takes full effect.

- * The main items people require liquid cash is drugs and/or illegal purchases. Under an executive order by Martial Law, have Barack pass a no cash bill incentives.

- * Any and all retail establishments must stop accepting cash purchases for retail items. Walmart, Walgreens, Boost Mobile, King Dixie, Cable Companies, everyone in retail, the utility companies, all stop accepting cash payments. Without cash, many drug dealers cannot function anymore.

- * Limit daily cash withdrawals at banks and ATM. Max cash back to \$10. See? Call it a Homeland Security Initiative.

- * My demand is we pass a temporary drug law, being Marijuana Schedule I by Nixon was merely a temporary decision. Under Federal Law, just like Richard Nixon did, Barack says
