D.B.A. Jesus Christ - \$10 trillion - **\$9 Trillion Charity Budget \$1 Trillion Royal Family Budget**
The **Production Process \$65 Trillion** - Being Managed by the **Corporation** oversight and the
Queendom of Jesus Paul Messiah, INC (**Entertainment and Media**), The National Community
Network, INC. and **Don King Protection.**

Healthcare - \$10 trillion – We have the cures for many diseases, illnesses and technology to heal
injuries with very promising technologies and systems. We need infrastructure. We need real
hospitals design to cure the sick, heal the injured and **save people** from dying.

The **Federal** Governance – Allocated by the B.O.G. is **\$5 trillion**

The **State** Budgets is **\$5 Trillion** divided by the States of this Union. These **borders** must be **defined**
by **God the B.O.G. and the Corporation.** This seat is to be held by **Bob Harper.**

The **Municipalities** get **\$5 Trillion** divided by each **County** per state. We must determine county
lines, to determine which is a part of our Union and the capacity of its security and the people.

This is the split of at least the **\$100 Trillion** I recovered to begin moving our production process and
new economic structure forward and to create a safer world, with happy human inhabitants.

On **25 December 2016**, the tally should be in on the state of world economics and accountability of
assets. I estimate between \$200 trillion and \$250 trillion that can only be matched by my diamond brinks,
so all the gold goes to God to be used to advance our technologies, as we advance towards the
Diamond Chip Microprocessor. Gold is a great conductor and Diamonds can be used to make semi-
conductors that literally never overheat. They say, "Diamonds last forever."

On **4 July 2015**, I was granted the **title God.** Since there is no more taxation of charity and God is
charity and the U.S.A, a nation under God. My lead accountant Mr. Stephen M. Wright will rewrite the
tax code and a lot of people will be getting big checks this tax season, the IRS will pay you back to
5 July 2015 in back-taxes and then taxes can be abolished and the **Blue Dough Law** or God's currency
introduced.

Filed on 4 October 2016 and effective 26 September 2016, I was acknowledged as **Jesus Christ, INC.**
And the IRS profile declaring my Do Business as names, to include Jesus Christ, The Queendom of
Jesus Paul Messiah, Queen of Queens and Queen's Queen, which are my Queendom Queens titles, are
all linked to **The National Community Network, INC. FEIN: 27-1151849.**

Meanwhile the Department of Corporations Florida, refuses to remove Ella E. Williams and all
these people she knows and I do not, off of my Corporate Documents and it is all Fraud Based.
How can she be the agent of the Network?

Supplies and Equipment

For **National Security**, all orders by **God** is placed above any other business transactions and all
Government and Business entities are under the authority of Martial Law.
