

THE Final Solution is not a Judgment

When I was about 10 or 11 years old, a friend name Tyler Brooks made a wager against me. He was sort of a "bare-devil" on what was called a "Stingray" Bicycle. "Paul, I bet you cannot make the jump over that ramp." It was a lunge jump, "some real life Evil Knievel shit." But I safely made it to the other side. The crowd was ~~so~~ amazed, so the rule of a challenge is now he had to make at least the same jump or raise the stakes. Tyler did not make it. He crashed, a lust both of his testicles, my mother who they called "Blond" Eva, said Paul you have to fix him. I then performed the first human testicle transplant. I was a success, Richard Starks his first cousin was the donor and Tyler Brawk was the recipient. Richard just loved to have sex, but could not make a baby, but Tyler seemed to could take it or leave it, they said he felt like it was not his testicle, but he was able to procreate. THEREFORE, we have over 45 years of research on the subject. "Project Testicle Transplantation." It seems one testicle promote Sexual desire as the other promotes Procreation?

I did not come to this world to condemn it, but to save the world. Homosexuals claim, "God made us this way." IF so, it was due to a consequence of their actions. They claim love, but this is the consequence of sex crimes against humanity, using procreation merely to create armies to destroy and conquer nations, just to self-destruct at the end. This is the consequences of being servants of Satan, whom is a serpent himself, a self mutilated castrated dog. "So be it."

Satan is a deceiver: GAL: 5:19-21 - 26 GAL: 6:7-10

NOW you have a bunch of NAZI Serpents, who are merely AKA Illuminati Servants, who is these evil people in Israel. Those people claim as Illuminati, is really saying, "I am one dumb nigger." Since when did Satan claim he was Satan? THE Issue here is Sexual Immorality and not homosexuality, which is the curse placed upon the immoral to prevent their continued aggression. Out of 30,000 reservations of "Nubles Shriners, 3,000 showed up meetings about 27,000 are Prince Hall Casualties. I advertised about one year ago, "Man up, get you free testicle." THIS will allow them to learn self-control GAL: 6:11 Gen: 3:1 We practice Polygamy and you can use you imagination we will. "You do not screw with a man's prostate gland for then he becomes E.D. "Erectile Dysfunction and the murder sin of mankind, was to overpopulate to create wars.
